## **Freizeit/Free time**

scholastic year 2013/14

Michelle Vella Gobey, Teacher of German and Head of Department for German in Catholic Schools.

### **Mobility experience**

- Real mobility one week hosting in Malta and one week being hosted in Hamburg, Germany.
- Three teachers and 13 students involved; the pupils'/students' age: 14/15

### **PluriMobil experience**

#### **Before**

- Students write a paragraph about: Meine Freizeit? My Free time
- Students interview one of their parents regarding free time (help in formulating questions is done during lesson). Students write given answers in German.

#### **During**

- Students observe how their partner in Germany spends his/her free time.
- Students interview a parent of their exchange partner regarding free time (the same interview questions are to be used as in the Before stage).

#### **After**

- Students compare themselves to students in Germany during a discussion.
- Students discuss with one or both of their parents what parents in Germany usually do in their free time and then share interesting points in class, such as: same/different/better than/worse than/why?

**Final Product/s envisaged:**

pictures, posters, completed icebergs, ppt, journal.
